	<p><b>I STEPPED ON THE CAT!</b></p> <p>Two to four can play. Shuffle the cards well and deal four to each player. Place the remaining cards face down to form the stock.</p> <p>The player at dealer's left goes first. Play passes to the left.</p> <p>In your turn you must draw one card from the stock into your hand, then must play one card from your hand.</p>	<p>You may play any Cat face up in front of you if you do not have a Cat of that color showing.</p> <p>Or you may play a Boot on any opponent's Cat in play. Discard the Cat and the Boot.</p> <p>Or you may play a Can of Tuna and steal an opponent's Cat in play if you do not have a Cat of that color showing. Discard the Can of Tuna.</p>	<p>Or you may discard any card, face up.</p> <p>As soon the stock is used up, shuffle the discards to make a new stock.</p> <p>If you show all five Cats, discard all your cards on the table and score one point. The other players' cards remain on the table.</p> <p>The first player to score five points wins the game.</p>
